**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We support Broadband competition. We previously used Comcast, and were not happy with their service nor their prices. Every year the service price increased without any additional benefit in service to us, the consumer. We are very happy with the competitive service of Sonic. It would not be in the consumers best interests to do away with the existing telecommunication competition!
